**48" ONE DOOR REFRIGERATED PIZZA PREP TABLE MODEL: VPP47-HC**

Valpro raised rail refrigerated pizza preparation tables are manufactured with uncompromising quality, energy efficient technology, and standard premium features built in. Our units provide easy access to your condiments while maintaining uniform safe temperatures. All units have a standard integrated reversible cutting board providing a sanitary solid work area, and cabinet interior easily accommodates dough proofing boxes and pans. Our refrigerated preparation tables will provide many years of worry free service and deliver cost saving eco-friendly energy efficiency utilizing natural R290 hydrocarbon refrigerant. All Valpro products are manufactured under strict ISO9001 standards for quality assurance, and to consistently deliver to our customers products that satisfy all expectations. All our products are operated, extensively monitored, and undergo rigorous inspection prior to packaging and shipping.

**WARRANTY**  
**2 YEAR Parts & Labor**  
**5 YEAR Compressor**\* Compressor warranty 2 year parts & labor / 3 additional year warranty compressor part only**FEATURES**

- Durable stainless steel exterior, (top, hood, front and sides)
